FIRST MESSAGE OF THE FIRST LESSON

DATE: 8TH JULY, 2006

TIME: 3:00 AM

VENUE: MY ALTAR OF REPARATION, AWKA

TOPIC: ***THE FRIENDSHIP WITH GOD IN PRAYER***

In my prayer during this hour, I saw in a vision a Saint of God, accompanied by two little Angels. Coming closer, the Saint said:

“How blessed are those hearts that find peace in the bosom of God; they will never lack the wisdom and loving care of God. Come all you who strive to seek the face of the Lord. Come and seek the face of the Lord. Finding him is finding peace. I am your brother and apostle, Jude. I come to give you the sixth step towards the holy union with God. It is friendship with God in prayer.

Prayer is a loving relationship between the soul and God. It is the resting of the soul in the bosom of God. In the level of the intimate union, the soul finds peace with God in prayer. There is no conflict between the ugly desire of man and the holy will of God. Infact the will of man is in conformity with the will of God. Interior dialogue of the soul with God satisfies the needs of the soul. At this stage, friendship with God is stronger.

Friends, you will achieve this level through your total commitment to God in prayer. You will not pray like pagans; follow the way of Golden peace you have been taught. Love silence and avoid all forms of distraction in your life. Try and remain in peace with God through your holiness of life. Many times in the day, try and gaze at the Lord with the eyes of your inner man. I say, gaze at Him with love and be drawnto His love. There is nothing that rewards better than this very act of love. Friends, this is the way of peace. The hour of prayer is your most useful moment in life. Try and make all your days moments of prayer. Through this way, you will find peace and joy on earth. I pray that you will conquer with prayer and love. May Jesus bless you as I leave you! Bye!” He wave and disappeared into the cloud and then appeared the Agonizing Jesus Christ who calmly said:

“You are my friends because I have given you everything I have from the Father. Dialogue with Me in prayer. You will find peace. So I bless you in the name of the Father and of the Son, and of the Holy Spirit Amen!

TOPIC: *DEVOTION TO GOD IN THE SANCTUARY OF YOUR VERY SOUL*

In my prayer during this hour, I saw a vision of Our Lady who was accompanied by seven little Angels. She came down and gently said:

“Blessed are your souls who seek to find rest in God. O, how beautiful to be a friend of God. Come nearer my children and hear my loving words to you. I am the Queen of all hearts, the Rosa Mystica, and the Mother of the Agonizing Jesus Christ.

On this day being the last day of this novena, Jesus asks me to take you to the seventh step of holy union with God. This is the last step towards the road of the holy union with God. All other messages you will have will tend towards how to attain these steps given to you. The step is *Devotion to God in the Sanctuary of your very souls*.

Children, what will I tell you on this step? Let me remind you that your soul is a Little Heaven, and that your heart is the Tabernacle of God. As God lives in heaven, so He lives in the hearts of the just. As Jesus dwells in the tabernacles of the Church, so He dwells in the Sanctuary of your very souls. If you are in the state of sanctifying grace, children, there is no difference between the God in Heaven and the one who dwells in your pure hearts. Know you today that you are a precious being whom Angels stand to admire. This is one of the reasons why God gave you His angel to guide you, His very temple. Do you know what happens when you receive Him in Holy Communion? The angels who come to Mass and your guardian Angels follow you to your seat in prostration and in adoration of the King of Glory who enters your very soul.

Children, smile and be happy, you are bearers of God. The knowledge of this great favour to man will make every man to be alert and devoted to God. I come to remind you of this in order to alert you to pick up this most lovely devotion: “the devotion to Jesus in the sanctuary of your very soul.” This is the highest goal which every heart desires and struggles with the weakness of man to achieve. Children, nothing will satisfy the thirst of your soul other than Jesus. Give this soul money she will still be in starvation. Give her food and entertainment you are still starving her. Give her sensuality and pleasure, she

will die of starvation. Only Jesus will satisfy the hunger of every heart. Your soul will not rest anywhere until she rests in the Lord your God.

Turn to Jesus in the sanctuary of your very soul. Children, I say, visit him. See, He is lonely in your soul, while you are busy over the material and passing things of this world. I plead with you to pause and think of Him who is in you. Why are you treating Him like a stranger? Why do you abandon Him like an enemy? Did He offend you? He is your friend. He comes from Heaven. He is your Saviour and your God. He is the King of your soul.

Children, know this, if you neglect this duty of staying with Him in the sanctuary of your soul, no one will do this for you. It is your sole duty. Draw a personal format to relate with the one you love. No two friends relate to each other in the same way. So, you must have a personal way to relate with the one your heart loves most. Let the prayer of the seal guide you. I will be glad to see all hearts responding to this appeal. I will help all who rise to do this. Children, this is all I have for you. The Holy Spirit will complete the rest in due course. All who seek will find. I pray Jesus to bless you. Happy day! Barnabas, smile so that I will have your smile in my heart.

Then I said, “Mother I am in pain over my inability to love and to overcome my imperfection. I have prayed for this and still I am falling again and again. Tell Jesus to help me and cure me”

Our Lady said: “Is that your depression, do not worry. Jesus will help you. He will cure you. But do not deprive Him the great honour and consolation He will receive in you when you perceive your fault and resolve to avoid it by being depressed. Do not lose hope. Fight on and increase your devotion to Him. He allows this thorn in you to save you from pride. Hold on to Him despite your failures. When He sees that you are humiliated enough and seeing the burning zeal of love in you; he will help you and save you. Barnabas, are you happy now?”

I answered her, “Yes, Mother, but why did Jesus prefer to wound the hearts that love Him with thorns?” She answered: “He uses the spikes of the thorns to engrave the mark of true love in those hearts. Are you happy now Barnabas?”

I answered, “Yes, I am”. She said: “Can you smile now”. I smiled and said: “I can Mother.” She then said: “Remain in peace from Heaven. Bye” she waved and disappeared in the cloud.

Then appeared the Agonizing Jesus Christ who said: “I am in the sanctuary of your soul all alone. You are busy with the world. You don't care for my

presence in you. Turn to me and I will turn to you. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit, Amen!

**TOPIC: MAKE THIS CALL A REALITY THROUGH YOUR
DEVOTION TO THE HOLY EUCHARIST**

In my prayer during this hour, I saw in a vision Our Lady who was accompanied by seven little angels. She came closer and quietly said:

“Peace from Heaven be with you! I am the Queen of heaven the Mother of the Agonizing Jesus Christ. Here I come to ask you to make the call of this holy union with God a reality through the Eucharist. In the Eucharist, my Son comes in person to you and abides in you. Remember His word to you: “Take this, this is My Body... Take this, this is My Blood...” Truly, His presence is real in the Sacrament of the Holy Eucharist. Children, desire to receive Him in the Holy Communion. Make frequent reparations to welcome Him in your house. Go to Mass everyday and draw Jesus closer to yourself. The world has no gift greater than the Holy Mass. And they will not expect any other gift greater than the Holy Mass. The reason is that God is sacrificing His only Son at Mass to bring about this holy union. The Blood of the Lamb is poured to seal the everlasting covenant with the world. Children, it is a covenant of love. This is why He gave you His Body and Blood to eat and have life everlasting. The Eucharist is the life of the soul. It brings joy to the heart and strength to the mind. On this road of difficult and pain, Jesus in the holy Eucharist is the peace of your soul. Meet Him at Mass and renew your union with Him. This simple appeal is great if you will know the value and attend Mass with devotion.

Remain in peace from Heaven.” Bye.

Immediately, the vision passed,

TOPIC: *VISITATION MAKES RELATIONSHIP STRONGER*

In my prayer during this hour, I saw in a vision a Saint who came down from Heaven accompanied by two little Angels. Coming closer the Saint said:

“Peace from Heaven be with you. Rejoice, O you all who adorn the altars of God. He says Rejoice O little Angels of God who surround the altar of God. You are enjoying the breeze of heaven. Your days on earth are blessed. Do not allow anyone to take you away from this sweet enjoyment; otherwise, your days will turn into days of pain and sorrow. Come closer and hear this advice, I am your friend and your sister, Cecilia.

Friendly visitation makes relationship stronger. The more two friends stay together, chat together and gaze at each other, the stronger their friendship becomes. Distant friends have loose ties. Such friendship is not strong; any little thing can separate them. Today, Jesus sent me to appeal to you to come closer to Him and make your relationship with him stronger through constant visitation to His presence in the Holy Eucharist; in the tabernacle for love of you. Like a prisoner He waits for you day and night. Why do you keep Him so lonely? Do you not know He is there just for you? If not for you, He will not have been in that prison of love. It is the love He has for you that keeps Him there. Turn your heart to Him. Remember your Friend and visit Him often.

In the journey of holy union, constant visitation to Jesus in the Holy Eucharist is a trend which ties your soul together with the Heart of Christ. Infact, your union is manifest on how devoutly your visitation to Christ is. Friends! Go to Him and chat like friends. Gaze at Him and allow His loving gaze as well to pierce your poor heart. If only Jesus could touch your heart, your life will not remain the same. You will surely find out that Jesus is sweet and loving. Nothing is more satisfying than Him. Come to Him and see. I will leave you to meditate on these words. Bye!

In my prayer during this hour, I saw the vision of our Lady who calmly said: “Peace from Heaven be with you. I am the Queen of Heaven, the Mother of Agonizing Jesus Christ. Children, my appeal on this last day of your three day prayer is simple: it is self-oblation. Children, unite yourself, your work and your sacrifice with the sacrifice of Jesus in the Calvary; at every mass and for the Glory of God. This simply means that you will act only for the love and honour of God. If you follow this way, you are at peace with Him. You are in holy union with him. Meditate on this and sacrifice all.

May the blessing of this month remain with you always. Remain in peace from Heaven. Bye

In my prayer during this hour, I had the vision of a saint of God accompanied by two little Angels. The Saint came closer and calmly said:

“Rejoice all you who are in the Lord. Be happy all you who are redeemed with the Precious Blood of Jesus Christ. You are blessed. I am your friend and the servant of God, Anthony. In this great month of peace and of grace, Jesus sent me to speak to you on the topic termed ***THE GOLDEN PEACE OF HAPPINESS***. This is the joy of the Glorious Reign of Peace. He wants the joy to fill your heart always as to hasten the Kingdom within your hearts.

Today, I come to speak on the joy of true freedom that gives the soul the Golden Happiness. Friend of God, true freedom is the liberty of the spirit that seeks nothing but God. The possession of God is the true freedom of the soul. In God, the soul finds satisfaction and peace.

How happy are the souls that find true freedom in Christ Jesus, they possess the golden happiness. Nothing worries their mind except the love of God. Nothing upsets their peace. They are like the free birds of the air that think only to praise God. They rise happily like the early morning sun and bright like the morning star. Friends, these souls find peace where others find confusion and sadness. They rejoice in all things because their God is with them always. You all are called to this state of life of the golden happiness on this earth. The first means toward it is true freedom. Be free and possess it. May my Jesus Bless you! I leave u.”

COMES FROM BEING THE SON OF GOD

In my prayer during this hour, I had the vision of a saint who came along with two little Angels. The Saint quietly and said:

“Be glad, O house of Jacob! Rejoice, O house of Israel! You are chosen from among the nations to be a holy nation of God. The mighty hand of God has brought you out of Egypt. The love of God cares for you. I am your friend and a servant of God, Theresa.

Jesus sent me to make your soul happy as I remind you of the joy you must share and manifest in the world. This is the joy of *the golden happiness of the glorious reign of peace*.

You are the sons and daughters of God. How does this sound in your hearing? I say again, you are sons of God. I did not mean the son of the richest man in the world or the son of the president of your country: I mean the son of the one who created all things and possesses all things, including the riches of the richest man itself; including your president and your country and all the countries of the world!

You are the son of the King of Heaven and Earth. Claim the authority of the son and rejoice! Be happy, you are a prince of Heaven and Earth. All that your Father has is yours. Your enemy will fear you because of your Father. Mountains and seas will obey you. Your word is authority before the creatures since your Father made all things. In you, your Father will be glorified.

Friends, let nothing take away this joy from you. Remain united with the Father and the Father will remain united with you. Then you will always be a son and He will be a Father to you. Do not seek to be a prodigal son, or else you will be a slave. May the golden happiness that comes from the joy of been a son dwell in your soul. I pray Jesus to bless you. Bye!

Immediately the vision passed, and then appeared the Agonizing Jesus Christ who calmly said: “Be happy that you have a Father who cares. Be happy also that you are a son of so worthy a Father. Let this joy fill your heart always and reach all who comes near you. This is the golden happiness you are called to testify about in the world.

Blessed is the house in which God dwells. And more blessing to the one whom God is His spouse. Friend of Christ what joy and happiness are you seeking outside yourself? See! Heaven is within you. TOPIC: *THE HOLY SPIRIT MAKES EVERYTHING NEW*

In my prayer during this hour, I saw a vision of the Holy Mother of God accompanied by seven little Angels; she came closer and quietly said:

"Peace from heaven be with you all. Children, I welcome you with this three days prayer in honour of the Holy Trinity with the message that the "**Holy Spirit Makes Everything New**". Draw closer to me and hear my lesson of peace. I am your Mother, the Rosa Mystica, Mary the Mother of the Agonizing Jesus Christ.

The spirit of God makes everything new. The third person of the Holy Trinity renews everything. Children, let me take you back to the memory of the past. When man fell from the grace of God, He lost the sanctifying grace. This means that the Holy Spirit departed from Him. Everything in the world became corrupt and suffered pain, darkness and sin. For thousands of years, man wallowed in darkness. But when the fullness of time came, God sent forth His Spirit into the world to anoint and consecrate a tabernacle for the coming of His only

begotten Son. Through the Son, the Holy Spirit renewed and save the fallen world. The light is still burning in the world for peace and for salvation.

You are the Sons and daughters of the light. Through the power of the Holy Spirit, you are created, so you are the instrument of the Holy Spirit, the instrument of renewal through which The Spirit will make everything new.

Children, surrender to the light of the Holy Spirit and gain all the necessary graces needed for your triumph and for the renewal of the world do not allow the light in you to turn into darkness. Do not defile the Temple of God that you are. Do not annoy the Spirit of God. Always and everywhere listen to His voice, and obey His call. Follow the plan of renewal that is set before you. Children, if you do follow the plan of God that has been laid down for you in this devotion to the Precious Blood of my Son, you will surely make everything new through the power of God.

I am your Queen who called for you. I love you all. Remain in the Peace from Heaven.

Immediately, the vision passed.

FIRST MESSAGE OF THE FOURTH HOUR

DATE: 14TH JULY, 2007

TIME: 3:00 AM

VENUE: MY ALTAR OF REPARATION, AWKA

TOPIC: *BE LED BY THE DIVINE SPIRIT AND HAVE YOUR STRENGTH ALWAYS RENEWED*

In my prayer during this hour, I had the vision of a Saint who was accompanied by two little Angels. The saint calmly said:

“How happy is the desert on the day it received the first rain of the year. It opened its mouth and drank to its satisfaction. See how these dying grasses and trees are smiling with the sparkling of the morning dew. O, this is how the people of God will jubilate and dance on the day the rays of life-giving light will shine on them. I am your friend and the servant of God, Cecilia.

The Spirit of God will strengthen the fallen world. See, the wind is blowing, and nobody knows its directions. The Holy Spirit of God has filled the universe. He is in the fallen world. How blessed are those who are in union with God, they will never be tired. Friends of the living God, your victory is by the Blood of the Lamb through the power of the Holy Spirit. He who walks in the light is led by the Spirit. The Spirit gives life. But He who walks in the dark is led by the nature of sin which gives death. Be a friend of God and remain in His love, so that the Spirit of God will remain in you and direct your life. He whom the Spirit of God directs is always a victorious man in this dark age. He sees ways where others see darkness.

His strength is always renewed when others are weak. His hope is always sure when others are hopeless. So, remain in the love of God and have His Peace always.

The message I have for you is: Be led by His spirit and have your strength renewed always. May my Jesus keep you always in His love! So I leave you.

Immediately, the whole vision passed.

TOPIC: *BE FILLED WITH THE SPIRIT OF GOD*

In my prayer during this hour, I saw in a vision a beautiful lady who was crowned with an ever bright crown. Thousands and thousands of angels were by Her sides. As She came closer, she calmly said:

Rejoice Zion. Be glad all you who are born of the Spirit for the Holy Spirit is life. I am your Queen and your Mother, Mary, Mother of Agonizing Jesus Christ.

Children on this last day of the three days prayer I come to instruct you on the lesson of the Holy Spirit as the source of life. How blessed are those who are led by the Spirit, their days will always shine like the early morning sun. No darkness will be seen in their ways. How blessed is the temple that the God of Heaven dwells! Like mount Zion, thousands of Holy Angels will surround and defend her. In that Temple, the glory of the most high will be revealed. From the sanctuary of this Temple the fountain of life-giving water will be gushing out forever. O, like a tiny stream, it has spread to an endless sea for life to creatures. All who are born of the Spirit are spirit, but all who are born of the flesh are natural. The Spirit gives life but nature is weak and is subject to death.

Children, be filled with the spirit of God. Turn away from your old and sinful ways of life. Let the spirit of the most high lead your life, you will be true sons of my Son and my God. Jesus Christ, your Agonizing Master.

If you obey the commandment of God, Jesus will love you. He will fill you with His Spirit and you will be a new creature of divine love. For the commandment is, 'Love!'

Children, do not separate yourself from the love of Christ your Saviour. If you do, the Spirit of life will depart from you. Grow in the perfect exercise of divine love. You will be saved.

The Spirit of God is life. Through the power of the Lamb of God and in the unity of the Holy Spirit, your victory is sure. I pray for peace of the Holy Spirit in your hearts, in your family, and to the ends of the earth, Amen!

Barnabas, say with me, "Come Holy Spirit, fill the hearts of the faithful and enkindle in them the fire of your love. Send forth your spirit and they shall be created: and you shall renew the face of the earth." And the kingdom of God will come soon, Amen! Bye!

Immediately the vision passed.
